Dear Ladies and Gentleman

Ministry of Energy of Georgia has a great pleasure to support Georgian International Oil, Gas, Energy and Infrastructure Conference GIOGIE-2008, which will take place on April 3-4 at Sheraton Metekhi Palace Hotel in Tbilisi, Georgia.

This conference has established itself as a very meaningful event for international business community, considering Georgia's significant geographical location . As far as development of oil, gas and infrastructure sectors are to be discussed, and considering the fact that progressive steps are been taken in Georgian energy Sector, we hope that this conference will encourage further opportunities for investment in Georgian energy and infrastructure sector.

Ministry of Energy welcomes and wishes success to all participants of GIOGIE-2008.

Best Regards,

Alexander Khotaguri

Minister
