Dear Ladies and Gentlemen,

It is my great pleasure to welcome all participants to the Georgian International Oil, Energy and Infrastructure conference - GIOGIE-2009, which will take place on 2-3 April, 2009 in Tbilisi, Georgia.

GIOGIE is already well-known as a major platform for the International business community, at which current trends, achievements and developments of the Oil, Gas and Infrastructure sectors of the Caspian and Black Sea regions are discussed. Once again this conference will be held with consistent backing and support from the government of Georgia and the Georgian Oil and Gas Corporation – The Oil and Gas major of the country's industry.

We are convinced that the upcoming conference is an excellent opportunity to reinforce relations between foreign investors, local companies and the Government of Georgia. It is an honor for GOGC to welcome its existing and prospective International partners at the conference.

I wish success to all participants of GIOGIE 2009 and look forward to meeting you in Tbilisi.

Kind Regards,

Zurab Janjgava

Director General
